Kevin,

Things have been a mess here. I don't think anything has been said, but Steve stepped down from the UIC Unit Chief about 3 weeks ago and no one has been appointed to replace him. It would be like Mark stepping down. Douglas has been doing two jobs.

I've been nagging HQ to get final answers/comments to you on the things we talked about. It is stuck in office of general council. Lisa has set up a meeting this wed to get it done.

Our acting RA is:

Howard Cantor

Best of luck to you and especially your wife (she's got the hard part.)

Craig

Craig,

Hope all is well with you and your family. I am working fanatically to adopt the rule in North Dakota and submit the primacy application before my wife has this baby. I go in front of the Administrative Rules Committee on Wednesday (3/13/2013) afternoon to testify on the rule changes. Assuming no objections by the rules committee I plan on officially submitting the Class VI primacy application. This will all depend on the how long it takes to get signatures from the Governor, Attorney General, Director of the Health Department, etc. Who is the acting region 8 administrator? I need to remove James Martin from the MoA and replace his name.

Thanks Craig
